PROUDLY BUILT AGAINST THE GRAIN

FURNITURE MADE IN THE U.S.A.

After the launch of HGTV's Home Town, we were approached by overseas companies for furniture line development with national distribution. Growing up in North Carolina, Ben remembered the small factory towns that had been shuttered and left empty when manufacturing moved overseas. Thinking of the countless American families who suffered in the aftermath, we knew there had to be a better way to make furniture.

Artisan & Post, the largest manufacturer of wooden residential furniture in the United States, is committed to their hometown of Galax, Virginia, just like we are committed to our hometown of Laurel, Mississippi. We've partnered to create a solid cherry bedroom group crafted by 500 American workers.

If we're going to be serious about revitalizing small town America, we have to be serious about making things in America.

Crafted from Solid American Cherry

FURNITURE MADE *in the U.S.A.*

The Crafted Cherry Bedroom Collection from Erin and Ben Napier is a Solid Wood collection. This means no wood veneers were used to make this collection and every piece is carefully crafted using Solid American Cherry.

The Collection is all about choices. We start with 3 fantastic finishes to choose from – Natural Cherry, Medium Cherry and Bleached Cherry. Each finish allows the grain pattern and beautiful unique nature of Solid Cherry wood to shine through and to be the primary focal point of each piece.

Within the bedroom group, there are 4 very different, stylish beds to choose from: Ben's Plank Bed, Ben's Terrace Bed, Ben's Six-Panel Bed and Erin's Upholstered Bed. By choosing the bed and choosing the finish, you can create

the bedroom group that is perfect for you and your lifestyle.

We've also created simple yet stylish case pieces that feature clean lines and custom-designed hardware. Each drawer has English dovetail joinery in the front and back, super smooth acrylic drawer interiors and dual under-mounted ball-bearing guides with a Whisper Close mechanism.

Every piece of our Crafted Cherry Bedroom Collection is proudly made in the USA by 500 craftsmen and craftswomen in our factories in the Virginia mountains. And finally, be sure to check out our Crafted Cherry Dining Collection, which beautifully complements our Crafted Cherry Bedroom group.
