DOVETAIL DINING

- Proudly Made in the USA
- From Solid American Oak
- By using our innovative ATAP™ (Accelerate The Aging Process) wood drying method, we have made it possible to create the highly sought after reclaimed wood look leaving the splits, cracks, knots and bold wood grain pattern. This unique and exclusive dining collection is made for consumers who understand and value the reclaimed wood look. Until now, only mother nature could make wood look this good.

3 FINISHES

The Dovetail table is crafted from solid American oak. The design elements feature true dovetailed joinery on the top side rails with the visual effect of timbers emerging from both ends of the table. The nearly 4" table top & apron boast a 1" solid oak surface. All table and server tops are sealed and protected with a high-performance catalyzed finish.
